**Saturday, October 12, 2024
@ Noda Brewing Co., 11 am - 2 pm**

Our annual Nurturing Parenthood Event provides an opportunity for pregnant & postpartum families in the greater Charlotte area to discover their local resources and gain valuable education about the challenging parenting journey ahead, in a fun and social environment.

Food, drinks, infant/toddler friendly activities and a raffle.
This event is free to families.

Proceeds benefit Mind Body Baby's Community Care Fund & related services that bridge the gaps in access to maternal mental health care and other needed support.
